Agistment Services

We wish to advise new clients of the services available at “Bellereve” property. “Bellereve” is a 100 acre property, owned by Jack Vanduren, with over forty years licenced experience in horse training and management. The property is conveniently located just 10 mins from Queanbeyan, Kings Highway NSW. Services include:

Agistment

Single horse ¼ acre post and rail paddock with stable, includes rug changes, basic hard feed twice daily plus hay @ \$25 per day plus GST. Supplements can be given at an additional cost.

Group horse paddock also available includes rug changes, basic hard feed once daily plus hay @ \$15 per day plus GST.

A four-horse float is available for pick up and drop off at negotiated cost.

Facilities

Facilities include: walker machine; arena; sand roll; wash bay; jumps paddock; stable block; day yards and 1400 metre track. Horses can be stabled and rugged at night if required. Access to Kowen Forest trails readily accessible without crossing roads. Picnic and toilet facilities available.

Care

We have developed a close association with several local veterinary, farrier, dental and chiropractic practices, should their services be required. An Equissage machine is available for remedial massage @ \$40 per session plus GST.

Payment

Invoices will be issued via email and payment is required within seven days.
