

National Capital 'Brookvale' Ride: 14-15 October 2023

The ACT Endurance Riders Association Inc. will host an 80km endurance Ride, 53km elevator and 40km, 22km and 13km rides, all on Sunday 15 October 2023, at 'Brookvale' on the outskirts of Canberra. Come and enjoy the friendly atmosphere and bush scenery at Brookvale!

Course: Both legs of the 80km ride are challenging and hilly, passing through the Brindabella National Park, pine forest and private bushland. The shorter rides traverse Uriarra and Sherwood Forests and private property, with views of the surrounding areas. All rides are generally good underfoot, with some rocky patches. There is no bitumen.

Admin: All 80km, 53km and 40km riders must enter and vet on Saturday. Participants in the 22km and 13km rides can enter and vet on Saturday (preferable) or EARLY on Sunday but must be ready to ride 30 minutes before their ride starting times to attend the mandatory pre-ride talks. Ride information, including the opening date for entries and the starting time for each ride, will be provided on the ACTERA website and the ACTERA Facebook page. Bookings will be online only (<u>no</u> entries on the day).

Entries should be submitted through AERA online. The necessary paperwork (completed entry form; day member waiver form (if applicable); Horse Health Declarations; PIC number; and 2023 NSWERA (or other State Division) membership card (if applicable) is available on AERA online.
